## Foster Care Program

# CAREGIVERS WANTED

---

Agency Chiefs Child and Family Services is seeking individuals willing and able to provide temporary care to the children and youth who come into our care. ACCFS is facing a decline in foster homes and are in need of emergency, short and long-term homes.

If you have the desire to make a difference in a child's life we want to hear from you!

Please feel free to contact Verla Thomas at 306-883-3345 if you are interested in becoming a caregiver and learn about the added incentives involved.

## Covid-19 Response and Updates

If you are entering any Whitecap facilities you will be required to wear a mask indoors as of August 27, 2021. This includes Health Centre, Band Office, Public Works, WELC and CRHES

### How to Protect Yourself

The best protection against COVID-19 is to be **fully vaccinated with 2 doses of Covid-19 vaccine**. Additional, everyday preventive actions can continue to reduce transmission of this respiratory illness.

- Practice proper cough and sneezing etiquette (into a tissue or the bend of your elbow)
- Wash your hands often with soap and water; if soap and water are not available, use an alcohol-based hand sanitizer
- Avoid touching your eyes, nose and mouth with unwashed hands
- Clean and disinfect high-touch surfaces regularly
- Wear a non-medical mask
- Stay home with even mild symptoms and get tested

Whitecap Health Centre is now doing door-to-door vaccinations. If you or your loved ones are interested/have any questions regarding the Covid-19 Vaccine, call the Health Centre at 306-373-4600

The Whitecap Test Site is open Monday to Friday 9:00 a.m. to 11:00 a.m. located in the parking lot of the Health Centre.

Information regarding **Returning to School** can be found on CRHES Facebook page and the Whitecap Health & Recreation Facebook page. You can also access both High-school and Elementary School Student Handbooks there. Some key notes are:

- All students taking the bus to the city schools will be **required to wear a mask on the bus**
- Extra-Curricular activities will be available with precautions put in place. Please speak to individual schools about what programs and sports will be offered
- Parents are asked to drop students off. If you are wanting to enter the school, please make an appointment or call ahead
- Mandatory masking in all K-8 schools, this includes CRHES

DO NOT send your child to school if they have any of the following symptoms

- Fever/Chills
- Cough or Sore Throat
- Loss of taste or smell
- Shortness of Breath
- Headache
- Aches and Pains
- Runny nose or congestion
- Fatigue
- Diarrhea
- Dizziness

**Mandatory Masking Indoor Public Spaces**

Effective Friday, September 17, 2021 an interim province-wide mandatory masking order was implemented for all indoor public spaces, including schools.

Indoor public spaces are any enclosed space other than a private home or dwelling. This may include but is not exclusive to workplaces, retail locations, recreational venues, eating and dining establishments and professional buildings. "Indoor public spaces" includes those areas of a business or venue that are restricted to staff only (areas where there is no access for the public).

**Proof of Vaccination**

Effective October 1, 2021 a proof of vaccination or negative test policy will be implemented for all Government of Saskatchewan ministry, crown and agency employees. Employees of all Government of Saskatchewan ministries, crowns and agencies will be required to be fully vaccinated by October 1. Employees that do not provide proof of vaccination will be required to provide proof of a negative test result on a consistent basis.

The Government of Saskatchewan is encouraging other employers, including school divisions, to implement a similar proof of vaccination or negative-test policy for employees in the workplace.

Effective October 1, 2021 a provincial requirement for proof of vaccination or negative test will be implemented for public access to a list of establishments, businesses and event venues that bring groups of people together, including:

- Indoor dining at restaurants
- Nightclubs, bars, taverns and other licensed establishments
- Event and entertainment venues, including conference centres, casinos, movie theatres, concert venues, live-music venues, museums, and indoor facilities hosting ticketed sporting events
- Indoor fitness centres, and gyms.

**Children under the age of 12 are exempt from the proof of vaccination or negative test requirement**

Proof of vaccination will not be required for the following:

- Retail businesses, including grocery stores
- Places of worship
- Fast food restaurants offering takeout and delivery
- Health care services, professional services, or personal services
- Hotels or other lodging
- Facilities hosting non-ticketed amateur sporting events, including youth athletics and recreational leagues
- Business meetings and places of business closed to the general public, unless otherwise directed by the business or employer
- Private gatherings held at public indoor venues, such as weddings and funerals.
- Private gatherings at private residences.

Protocols regarding proof of negative test requirements are currently under development for those residents opting to provide proof of a negative COVID-19 test, and will include the provision of documentation demonstrating proof of a negative COVID-19 PCR or rapid antigen test provided by a certified healthcare provider, including private providers of COVID-19 tests.

#### **Mandatory Self-Isolation**

On December 30, the province announced changes to COVID-19 testing and case management guidelines, which include the following:

- If a fully vaccinated individual tests positive on a rapid or PCR test, they are required to self-isolate for five days or 48 hours after symptoms have ended, whichever is later.
- If a not fully vaccinated individual tests positive on a rapid or PCR test, they are required to self-isolate for 10 days or 48 hours after symptoms have ended, whichever is later.
- Individuals who test positive must notify their close contacts, who must isolate for 14 days from the date of last exposure unless they are fully vaccinated and do not have any symptoms
- Individuals who have tested positive should call Healthline 811 if COVID-19 symptoms develop or worsen.

For more information you can visit: [www.saskatchewan.ca](http://www.saskatchewan.ca)

You can access your proof of vaccination on e-health visit: [www.ehealthsask.ca](http://www.ehealthsask.ca)

## COVID-19 Prevention Information for Hunters

December 14, 2021

### Background

- Wild and captive white-tailed deer in Quebec and in the United States have tested positive for COVID-19.
  - There have been no reported cases in Saskatchewan.
- COVID-19 infections have been found in other domestic and wild animals as well.
- There are no known cases of people catching COVID-19 from white-tailed deer.
- Research is underway in:
  - Canada to see if the infection exists in white-tailed deer and other cervids—moose, elk, mule deer and caribou, in other provinces.
  - Canada and other countries to discover how wildlife (including cervids) is infected, how widespread the infection is, and the potential risks posed to hunters, trappers and the public.

### What can hunters do to reduce their risk of infection?

While there is no evidence of transmission from white-tailed deer to humans, hunters should take precautions when dressing and handling deer carcasses.

- Wear a well fitted non-medical mask.
- Do not hunt or consume animals that appear sick or are found dead.
  - Report any sick or dead animals to your local wildlife authority.

### When handling and dressing the carcass:

- Wear gloves (e.g. rubber, latex, nitrile, vinyl) and eye protection (e.g. goggles, safety glasses, face shields)
- Do not eat, drink or smoke and avoid touching your face
- Process carcasses outdoors or in a well-ventilated area and keep knives sharp
- When handling tissues such as lungs, trachea (windpipe), mouth, and nasal cavity:
  - Avoid splashing or spraying fluids from these tissues as much as possible
  - Clean or change knives and equipment before handling the rest of the carcass
- Dispose of wastes properly
- Keep pets or hunting dogs away from carcasses and discarded tissues
- Dispose wastes properly and reduce the spread of **Chronic Wasting Disease** (see box→)

#### Help Reduce the Spread of Chronic Wasting Disease

- Don't bait or use salt licks.
- Don't quarter the carcass or debone the meat in the field.
- Double bag and dispose of the carcass and other wastes in a landfill or transfer station.

### After handling the carcass:

- Wash knives, other equipment and surfaces and sanitize with a bleach solution
  - 20 ml of unscented household bleach in 1 litre of water ( 4 teaspoons in 4 cups of water)
- Remove your gloves and wash your hands with soap and water or use hand sanitizer
- Change your clothing and footwear if possible
- Cook meat to an internal temperature of 74°C (165°F) to kill any parasites, viruses or bacteria that may be present.

### How can you reduce the potential risk of a COVID-19 infection?

- Follow existing public health recommendations.
- Vaccination is still one of the most effective ways to protect you, your family and community.
  - Whenever possible, have a fully vaccinated person handle and dress carcasses.
  - Hunters with underlying health conditions or who are not fully vaccinated have a higher risk of a serious COVID-19 illness.

Jordan's Principle is a principle that ensures there is substantive equality (true equality) and that there are no gaps in publicly funded health, social, and education programs, services, and supports for all First Nations children, on or off reserve, under the age of majority (0 - 18).

The Jordan's Principle provides necessary funding for any services/products/supports, within the domains of health, dental, medical equipment, mental health, social, educational needs, and any other aspect that directly affects the child's wellbeing. In addition, the Jordan's Principle not only aids with individual requests but also group requests (group homes, schools, communities, etc.). The aim of the Jordan's Principle is to meet the unmet needs of all First Nations children and to be able to achieve equal outcomes as all children in Canada. Furthermore, the Jordan's Principle seeks to attain a level of care that is within and beyond Normative Standards of Care, provisions that are culturally appropriate, and adequate safeguards in the best interest of the child. There are a multitude of requests of services/products/supports that are provided for all First Nations children. Each request is evaluated and decided on a case-by-case basis.

If your child requires the support from the Jordan's Principle, please contact me. I will provide guidance in application, navigation of language & process, education of Jordan's Principle standards, provisions of immediate resources, and assist with all coordination processes and funding, if needed.

# Do you have a will?

## Did you know?

**<9%**

Less than 9% of First Nation peoples  
on reserve pass away with a will

- the INAC website has information about planning your estate
- your will differs if you live on- or off-reserve
- the *Indian Act* outlines what should be included in your will
- you can't gift your land on reserve to someone who is not a member of your First Nation
- you can change your will as often as you like
- writing a will doesn't have to be complicated or costly

## Why make a will?

- to provide for your loved ones, your children and grandchildren
- to decide who will get your home

- to clearly state who should receive your possessions

- to name who will take care of your children and dependents

- to leave instructions for end of life ceremonies

- to name who will take care of your estate

A will could provide peace of mind and clear direction  
about your wishes to your family and loved ones

## NOTICE REGARDING THE Whitecap Dakota First Nation MEMBERSHIP CODE, 2012

### BACKGROUND

- The *WDFN Membership Code* document was approved by the membership on November 16, 2012 via referendum (voting).
- The Minister of INAC notified the WDFN on August 23, 2013 that the *Code* was approved and is effective and retroactive to December 4, 2012.

### MEMBERSHIP CODE GUIDELINES SUMMARY AND APPLICATION PROCESS

An individual must be a registered Indian in order to apply to be on the WDFN (Whitecap) Band list.

#### Automatic Membership

- The parent(s) of minor children that requested of INAC to be on the Whitecap band list at the time they applied for their child to be a Registered Indian is recorded by INAC as an “affiliate” of Whitecap.
- An adult who became eligible to be a Registered Indian as a result of Bill C-3 that requested of INAC to be on the Whitecap band list at the time applied for Registration as an Indian is recorded by INAC as an “affiliate” of Whitecap.
- ☐ “Affiliates” are required to complete an application form for Band Membership and submit to the Membership Clerk for processing along with required document(s).
- ☐ The Membership Clerk notifies the individual in writing of the status of Band Membership application.
- ☐ The Membership Clerk updates the Whitecap Band list accordingly.

#### Discretionary Membership

- ☐ The individual completes application for Band Membership and submits to the Membership Clerk for processing along with required documents.
- ☐ The Membership Clerk takes forward the application to the Membership Committee for their review and recommendation to Council.
- ☐ The Membership Clerk takes forward recommendation from Membership Committee to Council.
- ☐ If approved, the Membership Clerk posts a Notice of the approved Band Membership application for 30 days.
- ☐ The Membership Clerk notifies the person in writing of the status of Band Membership application.
- ☐ The Membership Clerk updates the Whitecap Band list accordingly.

#### **DEFINITION OF AN “AFFILIATE”:**

When an individual is affiliated with a Band, it means that the individual is a registered Indian in the IRS (Indian Registry System) with that band and is eligible for benefits including certain non-insured health benefits, the possibility of post-secondary education assistance and exemption from certain federal and provincial taxes. Only that band can grant an individual Membership and access to benefits such as: the right to reside on-reserve; housing on-reserve; voting privileges within the band; and the right to involvement in Community affairs, etc., depending on that Band's Code.

**★ Band Membership Application is available at the Whitecap Government (Band) Office, Health Centre, Elementary School or Housing & Public Works office ★**

**If you have any questions, please contact the WDFN Membership Clerk (Sheila) at 306-477-0908 or [scaisse@whitecapdakota.com](mailto:scaisse@whitecapdakota.com)**

*Remember to update the WDFN Membership Clerk if you move.

# Memorandum

**To:** ALL Whitecap Dakota Community Tenants  
**CC:** WDFN Council  
Warren Buffalo, General Manager  
**From:** Terry Parenteau, Director WDFN Housing & Public Works  
**Date:** January 5, 2022  
**Re:** **Maintenance Calls**

---

Please be advised that we are requesting all tenants take the following actions prior to making a maintenance call to the Housing & Public Works.

All housing units have received a Basic Home Maintenance Manual. Within the manual holds valuable housing maintenance tips. Such as replacing your furnace filter, plunging your toilet, sinks and tubs along with many other valuable maintenance guides.

1. When a maintenance repair arises please refer to your Basic Home Maintenance Manual and follow the procedure listed in the manual.
2. Should you fail to rectify the maintenance repair issue please call Housing & Public Works 306-477-2013 and we will try to assist you over the phone.
3. If maintenance repair attempts are unsuccessful, H&PW will then place a call to a Professional Service Technician.

If you have placed a maintenance call and a Service Technician has not arrived to your home within 24 hours please call H&PW and we will follow up. **DO Not** Contact the Contractor yourself unless you are willing to be **liable for the bill**.

Please do not disrupt Housing & Public Works while they are working in the community. They are extremely busy and are not authorized to change their schedule. Keep in mind it is not anyone other than the tenants' responsibility to report your housing issue.

Thank you for your immediate attention and cooperation in this matter.

# Memorandum

**To:** WDFN Community Dog Owners  
**From:** Terry Parenteau, Director Housing & Public Works  
**cc:** Warren Buffalo, General Manager  
**Date:** January 5, 2022  
**Re:** *Dogs Running at Large*

---

Within the last few months, WDFN Housing & Public Works has received an increased number of complaints of dogs running at large and, in some cases, acting aggressive towards people especially children. Due to this, WDFN Housing & Public works is taking a serious stance on owner(s) allowing their dog(s) to run at large.

A dog is running at large when it is beyond the boundaries of the land occupied by the owner of the dog, or beyond the boundaries of any lands where it may be with the permission of the owner or occupant of the said land when it is not under control by being:

1. In direct and continuous charge of a person competent to control it;
2. Securely confined within an enclosure; and
3. Securely fastened so that it cannot roam at will.

Please be advised that WDFN H&PW will take necessary steps to remove any dog(s) running at large in the community.

Respectfully

Terry Parenteau,  
Director of Housing & Public Works

**To:** All WDFN Community Tenants  
**From:** Terry Parenteau, Director Housing & Public Works  
**Cc:** Warren Buffalo, General Manager  
**Date:** January 5, 2022  
**Re:** Furnace Maintenance

---

Please be reminded that it is the tenant's responsibility to maintain the furnace 9 out of 10 winter furnace service calls are due to a clogged filter.

All Housing Units were provided with a Basic Home Maintenance Tenant Handbook, page 23 – 26 contains helpful tips on Furnace Maintenance:

### Once a Month

Change or clean filters, especially during the heating months.

### As a reminder, when the seasons change, change the furnace filter but check often.

To determine how dirty the filters are, hold them up to a light source. If you can easily see light through them, then they are still deemed clean enough to use. Vacuum out return air grilles.

Unusual noises produced by the furnace should be cause for concern.

If airflow from your heat register decrease or seems cooler, chances are the furnace filter is clogged and must be replaced.

### Benefits of Furnace Maintenance:

- Helps to increase equipment life
- Restores lost capacity
- Prevents breakdown
- Reduces utility costs
- Prevents unnecessary repair costs

Standard Furnace Filters are 16 x 25 x 1 and may be purchased at Home Depot, Canadian Tire and Walmart at affordable prices.

Stay warm this winter by regularly changing your furnace filter!

## **STRANGER DANGER STRATEGY**

### **Information for Community Members of Whitecap Dakota First Nation (WDFN) 2022**

---

#### **Notice**

There are recent safety concerns from WDFN members regarding unknown vehicles in the community. WDFN leadership and employees, RCMP, STC, and other agencies are well aware of these concerns and have taken necessary steps to address community safety and well-being

#### **ACTION**

As Whitecap is situated on a main highway close to a major city, parental supervision is strongly advised to ensure safety for all children and youth at play.

#### **PARENT TIP**

All parents and caregivers are also encouraged to take steps to ensure the safety of their children by teaching safety tips (refer to page 4), following curfew, knowing where your child is at all times, transporting children to activities, participating in community events, etc.

#### **SOCIAL MEDIA TIP**

If anything is posted on social media, use caution as the information may not be accurate.  
Be sure anything you post is accurate.

**Please report any suspicious activity to the RCMP. (310-RCMP (7267))**

## Strategies

### 1) Quick Response:

- a. **WDFN Notification System** –All members of the community are encouraged to sign up for the electronic program, if they haven't already done so. Go To: <https://member.everbridge.net/index/892807736728914> and follow the instructions to create an account. Please see attached sheet for more information.
- b. **Saskatchewan Crime Watch Advisory Network** – The RCMP launched a new program where anyone can receive texts/calls/emails, etc. about current Crime Watch Advisory's. Any crime watches from WDFN may be posted, if it is reported to the RCMP (911). \*To sign up, go to: [www.saskcrimewatch.ca](http://www.saskcrimewatch.ca)

### 2) Enforcement:

- a. **RCMP**– Gather as much information as possible: Information such as license plates, vehicle type and description, number of occupants, last direction vehicle has travelling, etc., will all be helpful for police investigation.  
This information should be reported immediately to the RCMP.  
The numbers to call are:  
**310-RCMP (7267)** to report unusual vehicles or activity, or  
call **911** in the event of an emergency including if you have been followed or approached by strangers asking if you want a ride, etc.
- b. **Community Safety Officers Program**- This program is currently under development and will see members of WDFN trained as Community Safety Officers (CSO's).

\*Some duties of the CSO include: patrolling and being a visible presence in the community, enforcing community bylaws, assisting in the area of prevention (eg. presentations) and collaborating with the RCMP and WDFN to ensure community safety and well-being.

### 3) Community Engagement and Awareness:

**a. "Safety Day"** – Will be planned during the summer to promote safety including:

- i. **Safety Presentation**
- ii. **Bike Rodeo**
- iii. **Child-Find Clinic** – *Will be contacted to come to WDFN*
- iv. **Community BBQ and Activities**
- v. **STC Mascot, Journey, will be on-site**

**b. School Safety Presentations** – STC, RCMP, and WDFN Community Justice Worker will work together to plan presentations to school-aged children and youth in the schools.

**c. Neighbourhood Watch** - Be good neighbours! Be aware of your surroundings, be on the lookout for any suspicious activity in the area, and report anything illegal or suspicious to the **RCMP (310-RCMP (7267))**.

## **Safety Tips: Ways to Keep Children Safe**

### **Parents should be sure their children understand the following:**

1. Never say they are alone if they answer the phone: they can offer to take a message or say their parents will phone back.
2. Never answer the door if they are alone.
3. Not invite anyone into the house without the permission of a parent or babysitter.
4. Not go into people's houses without letting anyone know where they are.
5. Never get into anyone's car without permission.
6. Not take candy or other gifts from strangers or anyone else without asking a parent first.
7. Never play in deserted buildings or isolated areas.
8. Scream and scatter books and belongings if they are forced toward a building or car.
9. Move away from a car that pulls up beside them if they do not know the driver.
10. Be taught their full telephone number and address.
11. Be taught that it's all right to say 'no' to an adult if the person wants them to do something you've taught them is wrong.
12. Know that no one has the right to touch any part of their bodies that a bathing suit would cover.
13. Tell you, school authorities or a police officer about anyone who exposes private parts.
14. Tell you if someone has asked them to keep a secret from you.
15. Go to the nearest cashier if lost or separated from you in a store or mall.
16. Know who to call in case of emergency.

### **Teens should:**

1. Tell you where they are at all times or leave a written or recorded message at home.
2. Never hitchhike.
3. Avoid shortcuts through empty parks, fields, laneways or alleys.
4. Run home or go to the nearest public place and yell for help if they are being followed.
5. Learn to recognize suspicious behavior and remember a description of the person or vehicle to give you or the police. Write the plate number in the dirt or snow if nothing else is available.
6. If attacked for money, jewelry or clothing give it up rather than risk injury.
7. Feel that they can talk to you and can call you to pick them up any time, any place.

### **Parents should:**

1. Avoid clothing and toys with your child's name on it. A child is less likely to fear someone that knows his/her name.
2. Check all potential babysitters and older friends of your child.
3. Never leave a child alone in a public place, stroller or car. Not even for a minute.
4. Always accompany young children to the bathroom in a public place and advise them never to play in or around the area.
5. Always accompany your child on door-to-door activities, i.e. Halloween, school fundraising campaigns, etc.
6. Point out safe houses or homes with the Block Parent sign where children can go if they are in trouble.
7. Keep an up-to-date colour photograph of your child, a medical and dental history, and have your child fingerprinted. <http://www.childfind.ca/safety/parents1.php>

## **Whitecap Notification System (WNS) will be discontinued. New Mobile App Coming.**

All members who are subscribed to the WNS via the Everbridge app will no longer have access effective January 17th, 2022, and all contact information will be deleted.

The First Nation has their own custom mobile communications app in the works. Our new app will allow for uploading community notices and events, surveys, and forms.

Details will be unveiled soon! watch for more information which will be shared via the Whitecap Newsletter, Website and Facebook pages.
