WHITECAP EARLY LEARNING CENTRE

Yvonne Peters—WELC Manager

WHITECAP EARLY LEARNING CENTRE

The COVID guidelines are being followed and we would like to thank our families for respecting the guidelines. The staff continues to plan programming to assist the children in our care to enjoy their days with us at the WELC. We will be continuing to develop new programs and ideas to work with the children. We are working on programs such as language development, social skills, and physical activity. We are also including Dakota language and cultural sessions in our programming facilitated by Lois Bear.

The children go outside during the day so ensure your children have dressed accordingly to the weather.

The hours of the WELC are 7:30A.M. to 5:30 P.M.

We have registration forms available at the WELC. If you require services, please call the WELC before coming to the WELC to pick up a registration form.

Phone: 306-477-2615 or 306-716-4635.

Do you have a will?

Did you know?

<9% Less than 9% of First Nation peoples on reserve pass away with a will

- the INAC website has information about planning your estate
- your will differs if you live on- or off-reserve
- the Indian Act outlines what should be included in your will
- you can't gift your land on reserve to someone who is not a member of your First Nation
- you can change your will as often as you like
- writing a will doesn't have to be complicated or costly

Why make a will?

NOTICE REGARDING THE Whitecap Dakota First Nation

MEMBERSHIP CODE, 2012

BACKGROUND

- The WDFN Membership Code document was approved by the membership on November 16, 2012 via referendum (voting).
- The Minister of INAC notified the WDFN on August 23, 2013 that the *Code* was approved and is effective and retroactive to December 4, 2012.

MEMBERSHIP CODE GUIDELINES SUMMARY AND APPLICATION PROCESS

An individual must be a registered Indian in order to apply to be on the WDFN (Whitecap) Band list. <u>Automatic Membership</u>

- The parent(s) of minor children that requested of INAC to be on the Whitecap band list at the time they applied for their child to be a Registered Indian is recorded by INAC as an "affiliate" of Whitecap.
- An adult who became eligible to be a Registered Indian as a result of Bill C-3 that requested of INAC to be on the Whitecap band list at the time applied for Registration as an Indian is recorded by INAC as an "affiliate" of Whitecap.
- □ "Affiliates" are required to complete an application form for Band Membership and submit to the Membership Clerk for processing along with required document(s).
- **u** The Membership Clerk notifies the individual in writing of the status of Band Membership application.
- □ The Membership Clerk updates the Whitecap Band list accordingly.

Discretionary Membership

- □ The individual completes application for Band Membership and submits to the Membership Clerk for processing along with required documents.
- □ The Membership Clerk takes forward the application to the Membership Committee for their review and recommendation to Council.
- □ The Membership Clerk takes forward recommendation from Membership Committee to Council.
- □ If approved, the Membership Clerk posts a Notice of the approved Band Membership application for 30 days.
- □ The Membership Clerk notifies the person in writing of the status of Band Membership application.
- □ The Membership Clerk updates the Whitecap Band list accordingly.

DEFINITION OF AN "AFFILIATE":

When an individual is affiliated with a Band, it means that the individual is a registered Indian in the IRS (Indian Registry System) with that band and is eligible for benefits including certain non-insured health benefits, the possibility of post-secondary education assistance and exemption from certain federal and provincial taxes. Only that band can grant an individual Membership and access to benefits such as: the right to reside on-reserve; housing on-reserve; voting privileges within the band; and the right to involvement in Community affairs, etc., depending on that Band's Code.

★ Band Membership Application is available at the Whitecap Government (Band) Office, Health Centre, Elementary School or Housing & Public Works office ★

Remember to update the WDFN Membership Clerk if you move. The Membership Clerk will correspond to the latest address on file.

WHITECAP BUSINESS CENTRE

WDFN Lands Department Update

Due to Covid 19 health protocols the annual lands meeting usually held in October was cancelled and the following update is provided in lieu, outlining the lands department's projects and initiatives from the 2020-21 fiscal year and moving forward to the 2021-2022 year (April 1st, 2021 – March 31st, 2022).

WDFN Lands Department Services:

- Residential and Commercial Leasing
- Business Licensing
 - 8 WDFN licenses issued during the 2020 calendar year
- Development and Permit processing
- Environmental Management and Protection
 - WDFN Environmental Protection Law administration
 - Provincial compliance requirements
- Land Law Development
 - WDFN Cannabis Law enacted and approved on November 9th, 2020
- Community/Land Use Planning and Development initiatives
 - o WDFN Comprehensive Community Plan (CCP)
 - WDFN Trail Planning
- Real Property Taxation
 - o Taxation administration: assessments, notices, etc.
 - Annual tax laws: WDFN Annual Rates Law and WDFN Annual Expenditure Law enacted and approved on October 5th, 2020.
 - Property taxes revenue is estimated to be approximately \$1.2M. These funds are reinvested back into the community by improving existing services and programming.

WDFN Lands Department Projects:

- Whitecap Comprehensive Community Plan (CCP) we are in the process of finalizing the CCP. The planning for the CCP was a community-led approach, driven by members through multiple engagement sessions. The CCP currently includes planning for all aspects of the community (key planning areas) and has a well-developed list of goals and objectives to support the long-term vision for the community or the "Implementation Plan". The CCP steering committee proposes to include a section on the background and context as it relates to each planning area. Once this has been finalized, the document will be made available to the community via the WDFN website.
- WDFN Cannabis Law and Board Administration a 5-member board has been established and will be responsible for the administration of this law. While the law has been approved in November 2020, the Board must approve WDFN Cannabis regulations, for potential cannabis retailers or wholesalers to operate on Whitecap lands. These should be finalized by the end of the current fiscal year.

 Additions to Reserve (ATR) – as directed by WDFN Council and Executive, the lands department has submitted an application for an Addition to Reserve to Indigenous Services Canada (ISC) to bring a quarter section of land to reserve status. The quarter section is located within the NW ¼, Section 36, Township 33, Range 6, West of the 3rd Meridian (west of the newly acquired Watson lands) and is currently owned by the Whitecap Development Corporation in fee simple. See map below.

The lands department will continue to work with ISC on the ATR process beginning with creating a workplan outlining the steps required to convert the land to reserve status. The proposed reserve creation will increase WDFN's land base and allow for efficient planning based on the growth and needs of the community, specifically the community drainage plan. The new reserve land will become eligible for any ISC funding.

- Other initiatives include:
 - Chief Whitecap Trail Business Park completion of infrastructure installation, marketing, leasing, and surveying of lots for potential tenants/investors.
 - Enforcement Pilot partnership with the Province and Muskoday First Nation to address the enforcement gaps on reserve and how First Nations laws can be enforced. The lands departments role will be mostly law development and support.

Feel free to reach out to WDFN Lands staff with any questions or concerns. Our offices are located at the Whitecap Business Centre but due to the current pandemic, we are closed to the public. Staff can be reached by phone at (306) 477 – 0908 or by email at:

Re:	Maintenance Calls

Please be advised that we are requesting all tenants take the following actions prior to making a maintenance call to the Housing & Public Works.

All housing units have received a Basic Home Maintenance Manual. Within the manual holds valuable housing maintenance tips. Such as replacing your furnace filter, plunging your toilet, sinks and tubs along with many other valuable maintenance guides.

- 1. When a maintenance repair arises please refer to your Basic Home Maintenance Manual and follow the procedure listed in the manual.
- 2. Should you fail to rectify the maintenance repair issue please call Housing & Public Works 306-477-2013 and we will try to assist you over the phone.
- 3. If maintenance repair attempts are unsuccessful, H&PW will then place a call to a Professional Service Technician.

If you have placed a maintenance call and a Service Technician has not arrived to your home within 24 hours please call H&PW and we will follow up. **DO Not** Contact the Contractor yourself unless you are willing to be **liable for the bill**.

Please do not disrupt Housing & Public Works while they are working in the community. They are extremely busy and are not authorized to change their schedule. Keep in mind it is not anyone other than the tenants' responsibility to report your housing issue.

Thank you for your immediate attention and cooperation in this matter.

Re:	Furnace Maintenance

Please be reminded that it is the tenant's responsibility to maintain the upkeep of the furnace.

All Housing Units were provided with a Basic Home Maintenance Tenant Hand Book, page 23 – 26 contains helpful tips on Furnace Maintenance:

Once a Month

Change or clean filters during the heating months.

As a reminder when the seasons change the furnace filter but check often.

To determine how dirty the filters are, hold them up to a light source. If you can easily see light through them, then they are still deemed clean enough to use. Vacuum out return air grilles.

Unusual noises produced by the furnace should be cause for concern.

If airflow from your heat register decrease or seems cooler, chances are the furnace filter is clogged and must be replaced.

Benefits of Furnace Maintenance:

- Helps to increase equipment life
- Restores lost capacity
- Prevents breakdown
- Reduces utility costs
- Prevents unnecessary repair costs

Standard Furnace Filters are 16 x 25 and may be purchased at Home Depot, Canadian Tire and Walmart at affordable prices.

Please keep in mind when discarding your garbage and recyclables.

- 1. Collection equipment requires clear, safe access to your container on collection day to ensure service.
- 2. Containers with inappropriate materials, overweight or over height could be bypassed by collection personnel.
- 3. Garbage bags should NOT be stacked on top of or beside the garbage bin. The garbage bin must be able to close. Cardboard boxes/material do NOT belong in the garbage bins but rather the blue recycle bins.

The Grey garbage bins are clearly marked **"DO NOT OVERFILL"** The Blue Recyclable bins are clearly marked **"Recyclable Products"**

Below are illustrations of what to do AND what not to do on garbage day.

A REMINDER ABOUT PETS AND HOT WEATHER

With the rise in temperatures expected to hit the 30's, remember to be mindful of your pets. Pets are vulnerable to high temperatures and are unable to cool down their bodies as humans can. Pets left outside in high heat temperatures can suffer from heat-related stress, burned paws, sunburn, and even death. Ernest Figueroa offers the following tips to keep your pet healthy, safe, and alive during this heatwave...

Make sure pets have plenty of fresh, clean water every day, and that the water bowl cannot be tipped over and is in a shaded area. Bring pets in during the hottest part of the day and let them rest in a cool part of the house. When pets are outside, make sure they have plenty of shade; remember, shade in the morning will move or diminish as the sun moves and may not protect them. NEVER leave pets in a parked vehicle—even in the shade with the windows cracked. Do not force animals to exercise when it is hot and humid. Exercise early in the morning or late in the evening. In hot weather, pets can burn their paws on hot concrete or asphalt. If it is too hot for you to stand barefoot, it's too hot for your pet! Pets can get sunburned too. Keep them out of the sun during peak hours.

Whitecap Solid Waste Transfer Site

The Whitecap Solid Waste Transfer Site is for Community Members Only to bring their solid waste for haul-out disposal by our contractor. The gate is locked at all times to prevent non-Whitecap Community area residents from bringing their waste in and dumping at our site and at our own cost.

Please observe conditions posted at the site and sort your waste to minimize the impact on the environment

Transfer Site Hours

Monday to Friday from 8:30 a.m. to 4 p.m. by appointment Weekend Access between 8 a.m. to 10 p.m. by appointment Appointments can be made by calling Whitecap Housing & Public Works No-charge to Whitecap Community residents. Appointments can also be prearranged for weekend access,

Short notice/after hour call-outs can be made to Arnold Stone: 306-290-2760

Speed Limits

Numerous vehicles have been observed speeding in the community. Community Members need to be reminded that pedestrians also use the roads for walking and cycling.

All reserve roads are 50kms unless otherwise posted. The RCMP will be enforcing the traffic Safety Act on Reserve roads and this will include speed limits. Tickets will be issued to individuals for speeding, driving unregistered vehicles as well as unlicensed drivers.

Children's Safety

There have been numerous calls from Community Members expressing safety concerns with all the non-community traffic also children playing on or near roads and leaving toys and bicycles on the roadway. We are asking parents and caregivers to please remind their children that the roadway is very dangerous and not to play on or near the roads and to keep the roadways clear of toys and bicycles.

Thank you for your cooperation in this matter.

All persons, between the ages of 13 and 17 are required to be off Community streets and Community property between 11 P.M. and 7 A.M. unless accompanied by a parent or guardian.

STRANGER DANGER STRATEGY Information for Community Members of Whitecap Dakota First Nation (WDFN) June 2019

Notice

There are recent safety concerns from WDFN members regarding unknown vehicles in the community. WDFN leadership and employees, RCMP, STC, and other agencies are well aware of these concerns and have taken necessary steps to address community safety and well-being

ACTION

As Whitecap is situated on a main highway close to a major city, parental supervision is strongly advised to ensure safety for all children and youth at play.

PARENT TIP

All parents and caregivers are also encouraged to take steps to ensure the safety of their children by teaching safety tips (refer to page 4), following curfew, knowing where your child is at all times, transporting children to activities, participating in community events, etc.

SOCIAL MEDIA TIP

If anything is posted on social media, use caution as the information may not be accurate. Be sure anything you post is accurate.

Please report any suspicious activity to the RCMP. (310-RCMP (7267))

Strategies

1) Quick Response:

- a. WDFN Notification System –All members of the community are encouraged to sign up for the electronic program, if they haven't already done so. Go To: <u>https://member.everbridge.net/index/892807736728914</u> and follow the instructions to create an account. Please see attached sheet for more information.
- b. Saskatchewan Crime Watch Advisory Network The RCMP launched a new program where anyone can receive texts/calls/emails, etc. about current Crime Watch Advisory's. Any crime watches from WDFN may be posted, if it is reported to the RCMP (911).
 *To sign up, go to: www.saskcrimewatch.ca

2) Enforcement:

a. RCMP–Gather as much information as possible: Information such as license plates, vehicle type and description, number of occupants, last direction vehicle has travelling, etc., will all be helpful for police investigation.

This information should be reported immediately to the RCMP.

The numbers to call are:

310-RCMP (7267) to report unusual vehicles or activity, or

call <u>911</u> in the event of an emergency including if you have been followed or approached by strangers asking if you want a ride, etc.

b. Community Safety Officers Program- This program is currently under development and will see members of WDFN trained as Community Safety Officers (CSO's).

*Some duties of the CSO include: patrolling and being a visible presence in the community, enforcing community bylaws, assisting in the area of prevention (eg. presentations) and collaborating with the RCMP and WDFN to ensure community safety and well-being.

3) Community Engagement and Awareness:

- a. "Safety Day" Will be planned during the summer to promote safety including:
 - i. Safety Presentation
 - ii. Bike Rodeo
 - iii. Child-Find Clinic Will be contacted to come to WDFN
 - iv. Community BBQ and Activities
 - v. STC Mascot, Journey, will be on-site
- **b.** School Safety Presentations STC, RCMP, and WDFN Community Justice Worker will work together to plan presentations to school-aged children and youth in the schools.
- **c.** Neighbourhood Watch Be good neighbours! Be aware of your surroundings, be on the lookout for any suspicious activity in the area, and report anything illegal or suspicious to the RCMP (310-RCMP (7267).

Safety Tips: Ways to Keep Children Safe

Parents should be sure their children understand the following:

- 1. Never say they are alone if they answer the phone: they can offer to take a message or say their parents will phone back.
- 2. Never answer the door if they are alone.
- 3. Not invite anyone into the house without the permission of a parent or babysitter.
- 4. Not go into people's houses without letting anyone know where they are.
- 5. Never get into anyone's car without permission.
- 6. Not take candy or other gifts from strangers or anyone else without asking a parent first.
- 7. Never play in deserted buildings or isolated areas.
- 8. Scream and scatter books and belongings if they are forced toward a building or car.
- 9. Move away from a car that pulls up beside them if they do not know the driver.
- 10. Be taught their full telephone number and address.
- 11. Be taught that it's all right to say 'no' to an adult if the person wants them to do something you've taught them is wrong.
- 12. Know that no one has the right to touch any part of their bodies that a bathing suit would cover.
- 13. Tell you, school authorities or a police officer about anyone who exposes private parts.
- 14. Tell you if someone has asked them to keep a secret from you.
- 15. Go to the nearest cashier if lost or separated from you in a store or mall.
- 16. Know who to call in case of emergency.

Teens should:

- 1. Tell you where they are at all times or leave a written or recorded message at home.
- 2. Never hitchhike.
- 3. Avoid shortcuts through empty parks, fields, laneways or alleys.
- 4. Run home or go to the nearest public place and yell for help if they are being followed.
- 5. Learn to recognize suspicious behavior and remember a description of the person or vehicle to give you or the police. Write the plate number in the dirt or snow if nothing else is available.
- 6. If attacked for money, jewelry or clothing give it up rather than risk injury.
- 7. Feel that they can talk to you and can call you to pick them up any time, any place.

Parents should:

- 1. Avoid clothing and toys with your child's name on it. A child is less likely to fear someone that knows his/her name.
- 2. Check all potential babysitters and older friends of your child.
- 3. Never leave a child alone in a public place, stroller or car. Not even for a minute.
- 4. Always accompany young children to the bathroom in a public place and advise them never to play in or around the area.
- 5. Always accompany your child on door-to-door activities, i.e. Halloween, school fundraising campaigns, etc.
- 6. Point out safe houses or homes with the Block Parent sign where children can go if they are in trouble.
- 7. Keep an up-to-date colour photograph of your child, a medical and dental history, and have your child fingerprinted. <u>http://www.childfind.ca/safety/parents1.php</u>
