## WDFN Lands Department Update

Due to Covid 19 health protocols the annual lands meeting usually held in October was cancelled and the following update is provided in lieu, outlining the lands department's projects and initiatives from the 2020-21 fiscal year and moving forward to the 2021-2022 year (April 1<sup>st</sup>, 2021 – March 31<sup>st</sup>, 2022).

### WDFN Lands Department Services:

- Residential and Commercial Leasing
- Business Licensing
  - 8 WDFN licenses issued during the 2020 calendar year
- Development and Permit processing
- Environmental Management and Protection
  - WDFN Environmental Protection Law administration
  - Provincial compliance requirements
- Land Law Development
  - WDFN Cannabis Law – enacted and approved on November 9<sup>th</sup>, 2020
- Community/Land Use Planning and Development initiatives
  - WDFN Comprehensive Community Plan (CCP)
  - WDFN Trail Planning
- Real Property Taxation
  - Taxation administration: assessments, notices, etc.
  - Annual tax laws: WDFN Annual Rates Law and WDFN Annual Expenditure Law enacted and approved on October 5<sup>th</sup>, 2020.
  - Property taxes revenue is estimated to be approximately \$1.2M. These funds are reinvested back into the community by improving existing services and programming.

### WDFN Lands Department Projects:

- **Whitecap Comprehensive Community Plan (CCP)** – we are in the process of finalizing the CCP. The planning for the CCP was a community-led approach, driven by members through multiple engagement sessions. The CCP currently includes planning for all aspects of the community (key planning areas) and has a well-developed list of goals and objectives to support the long-term vision for the community or the "Implementation Plan". The CCP steering committee proposes to include a section on the background and context as it relates to each planning area. Once this has been finalized, the document will be made available to the community via the WDFN website.
- **WDFN Cannabis Law and Board Administration** – a 5-member board has been established and will be responsible for the administration of this law. While the law has been approved in November 2020, the Board must approve WDFN Cannabis regulations, for potential cannabis retailers or wholesalers to operate on Whitecap lands. These should be finalized by the end of the current fiscal year.

- **Additions to Reserve (ATR)** – as directed by WDFN Council and Executive, the lands department has submitted an application for an Addition to Reserve to Indigenous Services Canada (ISC) to bring a quarter section of land to reserve status. The quarter section is located within the NW ¼, Section 36, Township 33, Range 6, West of the 3<sup>rd</sup> Meridian (west of the newly acquired Watson lands) and is currently owned by the Whitecap Development Corporation in fee simple. See map below.

The lands department will continue to work with ISC on the ATR process beginning with creating a workplan outlining the steps required to convert the land to reserve status. The proposed reserve creation will increase WDFN's land base and allow for efficient planning based on the growth and needs of the community, specifically the community drainage plan. The new reserve land will become eligible for any ISC funding.

- **Other initiatives include:**
  - Chief Whitecap Trail Business Park – completion of infrastructure installation, marketing, leasing, and surveying of lots for potential tenants/investors.

# Memorandum

**To:** ALL Whitecap Dakota Community Tenants  
**CC:** WDFN Council  
Warren Buffalo, General Manager  
**From:** Terry Parenteau, Director WDFN Housing & Public Works  
**Date:** January 5, 2021  
**Re:** **Maintenance Calls**

---

Please be advised that we are requesting all tenants take the following actions prior to making a maintenance call to the Housing & Public Works.

All housing units have received a Basic Home Maintenance Manual. Within the manual holds valuable housing maintenance tips. Such as replacing your furnace filter, plunging your toilet, sinks and tubs along with many other valuable maintenance guides.

1. When a maintenance repair arises please refer to your Basic Home Maintenance Manual and follow the procedure listed in the manual.
2. Should you fail to rectify the maintenance repair issue please call Housing & Public Works 306-477-2013 and we will try to assist you over the phone.
3. If maintenance repair attempts are unsuccessful, H&PW will then place a call to a Professional Service Technician.

If you have placed a maintenance call and a Service Technician has not arrived to your home within 24 hours please call H&PW and we will follow up. **DO Not** Contact the Contractor yourself unless you are willing to be **liable for the bill**.

Please do not disrupt Housing & Public Works while they are working in the community. They are extremely busy and are not authorized to change their schedule. Keep in mind it is not anyone other than the tenants' responsibility to report your housing issue.

Thank you for your immediate attention and cooperation in this matter.

# Memorandum

**To:** All WDFN Community Tenants  
**c.c.:** **WDFN Council**  
**Warren Buffalo, General Manager**  
**From:** Terry Parenteau, Director Housing & Public Works  
**Date:** January 5, 2021  
**Re:** **Furnace Maintenance**

---

Please be reminded that it is the tenant's responsibility to maintain the upkeep of the furnace.

All Housing Units were provided with a Basic Home Maintenance Tenant Hand Book, page 23 – 26 contains helpful tips on Furnace Maintenance:

### Once a Month

Change or clean filters during the heating months.

#### **As a reminder when the seasons change the furnace filter but check often.**

To determine how dirty the filters are, hold them up to a light source. If you can easily see light through them, then they are still deemed clean enough to use. Vacuum out return air grilles.

Unusual noises produced by the furnace should be cause for concern.

If airflow from your heat register decrease or seems cooler, chances are the furnace filter is clogged and must be replaced.

### **Benefits of Furnace Maintenance:**

- Helps to increase equipment life
- Restores lost capacity
- Prevents breakdown
- Reduces utility costs
- Prevents unnecessary repair costs

Standard Furnace Filters are 16 x 25 and may be purchased at Home Depot, Canadian Tire and Walmart at affordable prices.

**From:** Terry Parenteau, Director – Housing & Public Works  
**c.c.:** Warren Buffalo, General Manager  
**Date:** February 19, 2021  
**Re:** Rent Payments

---

We value our relationships with our tenants and wanted to reach out to you in these difficult and uncertain times due to the COVID-19 pandemic. We want to assure you the health and safety of our tenants and employees are our top priorities.

**Please reference the WDFN Housing Policy for rent payments and late payments:**

### **Section -8. Housing Tenure sections:**

#### **8.5 d) Payment Requirements**

#### **8.6 Repeated Late Payments**

As per the Office of Residential Tenancies Directive and Advisory dated December 9 2020:

**PAYMENT OF RENT: Rent remains payable when due.** Tenants Receiving Income Assistance payments for rent must use it to pay their rent on time. Any tenants experiencing hardship during the current State of Emergency are encouraged to communicate their individual situation (reduced hours, job loss, federal aid, etc) with their landlord and come to a mutually agreeable solution (in writing).

If you are experiencing COVID-19-related financial challenges that will affect your ability to pay your rent on time. You may be required to provide financial statements as confirmation. It is our intention to work with our tenants to get us all through this challenging time.

Please contact Terry Parenteau, Housing & Public Works Director at 306-477-2013 to discuss available options.

### Speed Limits

Numerous vehicles have been observed speeding in the community. Community Members need to be reminded that pedestrians also use the roads for walking and cycling.

All reserve roads are 50kms unless otherwise posted. The RCMP will be enforcing the traffic Safety Act on Reserve roads and this will include speed limits. Tickets will be issued to individuals for speeding, driving unregistered vehicles as well as unlicensed drivers.

### Children's Safety

There have been numerous calls from Community Members expressing safety concerns with all the non-community traffic also children playing on or near roads and leaving toys and bicycles on the roadway. We are asking parents and caregivers to please remind their children that the roadway is very dangerous and not to play on or near the roads and to keep the roadways clear of toys and bicycles.

**Thank you for your cooperation in this matter.**

### **Information for Community Members of Whitecap Dakota First Nation (WDFN)**

**June 2019**

---

#### **Notice**

There are recent safety concerns from WDFN members regarding unknown vehicles in the community. WDFN leadership and employees, RCMP, STC, and other agencies are well aware of these concerns and have taken necessary steps to address community safety and well-being

#### **ACTION**

As Whitecap is situated on a main highway close to a major city, parental supervision is strongly advised to ensure safety for all children and youth at play.

#### **PARENT TIP**

All parents and caregivers are also encouraged to take steps to ensure the safety of their children by teaching safety tips (refer to page 4), following curfew, knowing where your child is at all times, transporting children to activities, participating in community events, etc.

#### **SOCIAL MEDIA TIP**

If anything is posted on social media, use caution as the information may not be accurate.  
Be sure anything you post is accurate.

**Please report any suspicious activity to the RCMP. (310-RCMP (7267))**

## Strategies

### 1) Quick Response:

- a. **WDFN Notification System** –All members of the community are encouraged to sign up for the electronic program, if they haven't already done so. Go To: <https://member.everbridge.net/index/892807736728914> and follow the instructions to create an account. Please see attached sheet for more information.
- b. **Saskatchewan Crime Watch Advisory Network** – The RCMP launched a new program where anyone can receive texts/calls/emails, etc. about current Crime Watch Advisory's. Any crime watches from WDFN may be posted, if it is reported to the RCMP (911). \*To sign up, go to: [www.saskcrimewatch.ca](http://www.saskcrimewatch.ca)

### 2) Enforcement:

- a. **RCMP**– Gather as much information as possible: Information such as license plates, vehicle type and description, number of occupants, last direction vehicle has travelling, etc., will all be helpful for police investigation.  
This information should be reported immediately to the RCMP.  
The numbers to call are:  
**310-RCMP (7267)** to report unusual vehicles or activity, or  
call **911** in the event of an emergency including if you have been followed or approached by strangers asking if you want a ride, etc.
- b. **Community Safety Officers Program**- This program is currently under development and will see members of WDFN trained as Community Safety Officers (CSO's).

\*Some duties of the CSO include: patrolling and being a visible presence in the community, enforcing community bylaws, assisting in the area of prevention (eg. presentations) and collaborating with the RCMP and WDFN to ensure community safety and well-being.

### 3) Community Engagement and Awareness:

- a. **"Safety Day"** – Will be planned during the summer to promote safety including:
  - i. **Safety Presentation**
  - ii. **Bike Rodeo**
  - iii. **Child-Find Clinic** – *Will be contacted to come to WDFN*
  - iv. **Community BBQ and Activities**
  - v. **STC Mascot, Journey, will be on-site**
- b. **School Safety Presentations** – STC, RCMP, and WDFN Community Justice Worker will work together to plan presentations to school-aged children and youth in the schools.
- c. **Neighbourhood Watch** - Be good neighbours! Be aware of your surroundings, be on the lookout for any suspicious activity in the area, and report anything illegal or suspicious to the RCMP (310-RCMP (7267)).

## **Safety Tips: Ways to Keep Children Safe**

### **Parents should be sure their children understand the following:**

1. Never say they are alone if they answer the phone: they can offer to take a message or say their parents will phone back.
2. Never answer the door if they are alone.
3. Not invite anyone into the house without the permission of a parent or babysitter.
4. Not go into people's houses without letting anyone know where they are.
5. Never get into anyone's car without permission.
6. Not take candy or other gifts from strangers or anyone else without asking a parent first.
7. Never play in deserted buildings or isolated areas.
8. Scream and scatter books and belongings if they are forced toward a building or car.
9. Move away from a car that pulls up beside them if they do not know the driver.
10. Be taught their full telephone number and address.
11. Be taught that it's all right to say 'no' to an adult if the person wants them to do something you've taught them is wrong.
12. Know that no one has the right to touch any part of their bodies that a bathing suit would cover.
13. Tell you, school authorities or a police officer about anyone who exposes private parts.
14. Tell you if someone has asked them to keep a secret from you.
15. Go to the nearest cashier if lost or separated from you in a store or mall.
16. Know who to call in case of emergency.

### **Teens should:**

1. Tell you where they are at all times or leave a written or recorded message at home.
2. Never hitchhike.
3. Avoid shortcuts through empty parks, fields, laneways or alleys.
4. Run home or go to the nearest public place and yell for help if they are being followed.
5. Learn to recognize suspicious behavior and remember a description of the person or vehicle to give you or the police. Write the plate number in the dirt or snow if nothing else is available.
6. If attacked for money, jewelry or clothing give it up rather than risk injury.
7. Feel that they can talk to you and can call you to pick them up any time, any place.

### **Parents should:**

1. Avoid clothing and toys with your child's name on it. A child is less likely to fear someone that knows his/her name.
2. Check all potential babysitters and older friends of your child.
3. Never leave a child alone in a public place, stroller or car. Not even for a minute.
4. Always accompany young children to the bathroom in a public place and advise them never to play in or around the area.
5. Always accompany your child on door-to-door activities, i.e. Halloween, school fundraising campaigns, etc.
6. Point out safe houses or homes with the Block Parent sign where children can go if they are in trouble.
7. Keep an up-to-date colour photograph of your child, a medical and dental history, and have your child fingerprinted. <http://www.childfind.ca/safety/parents1.php>
