Foster Care Program

CAREGIVERS WANTED

Agency Chiefs Child and Family Services is seeking individuals willing and able to provide temporary care to the children and youth who come into our care. ACCFS is facing a decline in foster homes and are in need of emergency, short and long-term homes.

If you have the desire to make a difference in a child's life we want to hear from you!

Please feel free to contact Verla Thomas at 306-883-3345 if you are interested in becoming a caregiver and learn about the added incentives involved.

Covid-19 Response and Updates

If you are entering any Whitecap facilities you will be required to wear a mask indoors as of August 27, 2021. This includes Health Centre, Band Office, Public Works, WELC and CRHES

How to Protect Yourself

The best protection against COVID-19 is to be **fully vaccinated with 2 doses of Covid-19 vaccine**. Additional, everyday preventive actions can continue to reduce transmission of this respiratory illness.

- Practice proper cough and sneezing etiquette (into a tissue or the bend of your elbow)
- Wash your hands often with soap and water; if soap and water are not available, use an alcohol-based hand sanitizer
- Avoid touching your eyes, nose and mouth with unwashed hands
- Clean and disinfect high-touch surfaces regularly
- Wear a non-medical mask
- Stay home with even mild symptoms and get tested

Whitecap Health Centre is now doing door-to-door vaccinations. If you or your loved ones are interested/have any questions regarding the Covid-19 Vaccine, call the Health Centre at 306-373-4600

The Whitecap Test Site is open Monday to Friday 9:00 a.m. to 11:00 a.m. located in the parking lot of the Health Centre.

Information regarding **Returning to School** can be found on CRHES Facebook page and the Whitecap Health & Recreation Facebook page. You can also access both High-school and Elementary School Student Handbooks there. Some key notes are:

- All students taking the bus to the city schools will be **required to wear a mask on the bus**
- Extra-Curricular activities will be available with precautions put in place. Please speak to individual schools about what programs and sports will be offered
- Parents are asked to drop students off. If you are wanting to enter the school, please make an appointment or call ahead
- Mandatory masking in all K-8 schools, this includes CRHES

DO NOT send you child to school if they have any of the following symptoms

- Fever/Chills
- Cough or Sore Throat
- Loss of taste or smell
- Shortness of Breath
- Headache
- Aches and Pains
- Runny nose or congestion
- Fatigue
- Diarrhea
- Dizziness

Mandatory Masking Indoor Public Spaces

Effective Friday, September 17, 2021 an interim province-wide mandatory masking order was implemented for all indoor public spaces, including schools.

Indoor public spaces are any enclosed space other than a private home or dwelling. This may include but is not exclusive to workplaces, retail locations, recreational venues, eating and dining establishments and professional buildings. "Indoor public spaces" includes those areas of a business or venue that are restricted to staff only (areas where there is no access for the public).

Proof of Vaccination

Effective October 1, 2021 a proof of vaccination or negative test policy will be implemented for all Government of Saskatchewan ministry, crown and agency employees. Employees of all Government of Saskatchewan ministries, crowns and agencies will be required to be fully vaccinated by October 1. Employees that do not provide proof of vaccination will be required to provide proof of a negative test result on a consistent basis.

The Government of Saskatchewan is encouraging other employers, including school divisions, to implement a similar proof of vaccination or negative-test policy for employees in the workplace.

Effective October 1, 2021 a provincial requirement for proof of vaccination or negative test will be implemented for public access to a list of establishments, businesses and event venues that bring groups of people together, including:

- Indoor dining at restaurants
- Nightclubs, bars, taverns and other licensed establishments
- Event and entertainment venues, including conference centres, casinos, movie theatres, concert venues, live-music venues, museums, and indoor facilities hosting ticketed sporting events
- Indoor fitness centres, and gyms.

Children under the age of 12 are exempt from the proof of vaccination or negative test requirement

Proof of vaccination will not be required for the following:

- Retail businesses, including grocery stores
- Places of worship
- Fast food restaurants offering takeout and delivery
- Health care services, professional services, or personal services
- Hotels or other lodging
- Facilities hosting non-ticketed amateur sporting events, including youth athletics and recreational leagues
- Business meetings and places of business closed to the general public, unless otherwise directed by the business or employer
- Private gatherings held at public indoor venues, such as weddings and funerals.
- Private gatherings at private residences.

Protocols regarding proof of negative test requirements are currently under development for those residents opting to provide proof of a negative COVID-19 test, and will include the provision of documentation demonstrating proof of a negative COVID-19 PCR or rapid antigen test provided by a certified healthcare provider, including private providers of COVID-19 tests.

Mandatory Self-Isolation

Anyone who tests positive for COVID-19 must self-isolate for 10 days after receiving a positive test result.

Close contacts of individuals who tested positive for COVID-19 will also be required to self-isolate for 14 days from the date of their last exposure if they are not fully vaccinated.

Fully vaccinated individuals identified as a close-contact of a positive case will not be required to self-isolate, but will be required to self-monitor and seek testing at the first sign of COVID-19 symptoms. Unvaccinated school-age children (including high school) and day care children who are close contacts are exempt from self-isolation (may attend school or day care for education purposes and ride a school bus) provided that they have no symptoms and wear a face covering at all times while attending school or day care or ride the bus.

For more information you can visit: www.saskatchewan.ca

You can access your proof of vaccination on e-health visit: www.ehealthsask.ca

STEP by STEP on How to register for MySaskHealthRecord

RE: The 28-Day Challenge - A Call for "Circuit Breaker" in South Central First Nation Communities

Although the number of new COVID-19 cases are trending downwards in Saskatchewan, we remain at very elevated COVID-19 activity in South and Central communities. First Nation communities continue to report higher hospitalization and death rates compared to the rest of the province. The majority of these severe outcomes are among the unvaccinated population.

On October 21, 2021, Medical Health Officers in Saskatchewan issued a position statement calling on the provincial government to implement a more aggressive set of temporary measures province-wide to quickly reduce community transmission as current data suggests that our health system has been overwhelmed. Please [click here](#) for more information on the SK MHO position statement.

As we are signatories to the position statement, we call upon all South Central First Nation communities and residents to take on *The 28-day Circuit Breaker Challenge*.

What does "28-day Circuit Breaker" mean?

Circuit breaker or wave breaker is a short term, time-limited measure that is meant to break the chain of transmission. Over the next 28-days, it is important for everyone to:

1. Reduce the number of people they meet or the trips they are making by **at least 50 per cent**.
2. Limit or avoid non-essential travel outside of your home community.
3. Reduce or cancel activities that require face-to-face contact with others for the next month.
4. Work from home if you have the option.
5. Get fully vaccinated if unvaccinated or partially vaccinated.

This advice is for everyone, but for those that are elderly or who are immune-compromised, there is an increased risk for severe illness and hospitalization. We strongly encourage you to limit contact with those outside of your household, especially people who are not fully vaccinated.

Time is of the essence. Everything we can do to decrease the amount of interaction and mixing that we do will help interrupt the chain of transmission. This will also speed up the process of health system recovery while we wait for increased immunization coverage to increase our community-level immunity.

Thank you for your hard work and ongoing support in First Nation communities.

Respectfully,

Dr. Ibrahim Khan, Medical Health Officer
Indigenous Services Canada, SK Region

Dr. Rosemarie Ramsingh, Medical Health Officer
Indigenous Services Canada, SK Region

Jordan's Principle is a principle that ensures there is substantive equality (true equality) and that there are no gaps in publicly funded health, social, and education programs, services, and supports for all First Nations children, on or off reserve, under the age of majority (0 - 18).

The Jordan's Principle provides necessary funding for any services/products/supports, within the domains of health, dental, medical equipment, mental health, social, educational needs, and any other aspect that directly affects the child's wellbeing. In addition, the Jordan's Principle not only aids with individual requests but also group requests (group homes, schools, communities, etc.). The aim of the Jordan's Principle is to meet the unmet needs of all First Nations children and to be able to achieve equal outcomes as all children in Canada. Furthermore, the Jordan's Principle seeks to attain a level of care that is within and beyond Normative Standards of Care, provisions that are culturally appropriate, and adequate safeguards in the best interest of the child. There are a multitude of requests of services/products/supports that are provided for all First Nations children. Each request is evaluated and decided on a case-by-case basis.

If your child requires the support from the Jordan's Principle, please contact me. I will provide guidance in application, navigation of language & process, education of Jordan's Principle standards, provisions of immediate resources, and assist with all coordination processes and funding, if needed.

WHITECAP IRA NEWS**Indian Registry Administrator Report
November 2021**

WDFN is committed to the health and wellbeing of its employees and Community members while maintaining essential services for the community. With the continued spread of the COVID-19 virus and its variants, we continue with our proactive health practices. As such, the Whitecap Government Office is closed to the public.

CIS (Certificate of Indian Status) CARDS

By appointment only. At the time of booked appointment, visitors are asked to adhere to the *WDFN Safe Workplace Protocol* regarding Covid-19 Health Check, mandatory masking, hand sanitizing and physical distancing.

Should you require a status card, you may call the Whitecap Government Office at (306) 477-0908 and leave a message with our receptionist. Our receptionist is instructed to screen your call for basic information: Name, reason for card request (First, Expired, Lost), phone number and/or email, and if you have the proper I.D. Then the IRA will contact you to book an appointment.

SERVICES AND INFORMATION

Effective October 25th, Sheila resumed the role as the Whitecap IRA. For information on Indian Status eligibility, birth registration, the SCIS (Secure Certificate Indian Status) card application form and process, and band membership, please contact the band office and leave a message for the IRA of your inquiry.

Members may also contact ISC (Indigenous Services Canada) for information by calling toll free 1-800-667-7551 or their website: www.canada.ca/indian-status

Do you have a will?

Did you know?

<9%

Less than 9% of First Nation peoples
on reserve pass away with a will

- the INAC website has information about planning your estate
- your will differs if you live on- or off-reserve
- the *Indian Act* outlines what should be included in your will
- you can't gift your land on reserve to someone who is not a member of your First Nation
- you can change your will as often as you like
- writing a will doesn't have to be complicated or costly

Why make a will?

- to provide for your loved ones, your children and grandchildren
- to decide who will get your home

- to clearly state who should receive your possessions

- to name who will take care of your children and dependents

- to leave instructions for end of life ceremonies

- to name who will take care of your estate

A will could provide peace of mind and clear direction
about your wishes to your family and loved ones

NOTICE REGARDING THE Whitecap Dakota First Nation MEMBERSHIP CODE, 2012

BACKGROUND

- The *WDFN Membership Code* document was approved by the membership on November 16, 2012 via referendum (voting).
- The Minister of INAC notified the WDFN on August 23, 2013 that the *Code* was approved and is effective and retroactive to December 4, 2012.

MEMBERSHIP CODE GUIDELINES SUMMARY AND APPLICATION PROCESS

An individual must be a registered Indian in order to apply to be on the WDFN (Whitecap) Band list.

Automatic Membership

- The parent(s) of minor children that requested of INAC to be on the Whitecap band list at the time they applied for their child to be a Registered Indian is recorded by INAC as an “affiliate” of Whitecap.
- An adult who became eligible to be a Registered Indian as a result of Bill C-3 that requested of INAC to be on the Whitecap band list at the time applied for Registration as an Indian is recorded by INAC as an “affiliate” of Whitecap.
- ☐ “Affiliates” are required to complete an application form for Band Membership and submit to the Membership Clerk for processing along with required document(s).
- ☐ The Membership Clerk notifies the individual in writing of the status of Band Membership application.
- ☐ The Membership Clerk updates the Whitecap Band list accordingly.

Discretionary Membership

- ☐ The individual completes application for Band Membership and submits to the Membership Clerk for processing along with required documents.
- ☐ The Membership Clerk takes forward the application to the Membership Committee for their review and recommendation to Council.
- ☐ The Membership Clerk takes forward recommendation from Membership Committee to Council.
- ☐ If approved, the Membership Clerk posts a Notice of the approved Band Membership application for 30 days.
- ☐ The Membership Clerk notifies the person in writing of the status of Band Membership application.
- ☐ The Membership Clerk updates the Whitecap Band list accordingly.

DEFINITION OF AN “AFFILIATE”:

When an individual is affiliated with a Band, it means that the individual is a registered Indian in the IRS (Indian Registry System) with that band and is eligible for benefits including certain non-insured health benefits, the possibility of post-secondary education assistance and exemption from certain federal and provincial taxes. Only that band can grant an individual Membership and access to benefits such as: the right to reside on-reserve; housing on-reserve; voting privileges within the band; and the right to involvement in Community affairs, etc., depending on that Band's Code.

★ Band Membership Application is available at the Whitecap Government (Band) Office, Health Centre, Elementary School or Housing & Public Works office ★

**If you have any questions, please contact the WDFN Membership Clerk (Sheila)
at 306-477-0908 or scaisse@whitecapdakota.com**

*Remember to update the WDFN Membership Clerk if you move.
The Membership Clerk will correspond to the latest address on file.*

WDFN Lands Department Update

Due to Covid 19 health protocols the annual lands meeting usually held in October will be cancelled and the following update is provided in lieu, outlining the lands department's projects and initiatives from the 2021-22 fiscal year, and moving forward to the 2022-2023 year (April 1st, 2022 – March 31st, 2023).

WDFN Lands Department Services:

- Residential and Commercial Leasing
- Business Licensing
 - 10 WDFN licenses issued during the 2021 calendar year
- Development and Permit processing
- Environmental Management and Protection
 - WDFN Environmental Protection Law administration
 - Provincial compliance requirements (permits)
 - Annual AMA committee meetings with the Ministry of Environment
- Land Law Development
- Community/Land Use Planning and Development initiatives
 - WDFN Comprehensive Community Plan (CCP)
 - WDFN Trail Planning
 - Assist and support capital and strategic planning efforts
- Real Property Taxation
 - Taxation administration: assessments, notices, etc.
 - Annual tax laws: WDFN Annual Rates Law and WDFN Annual Expenditure Law enacted and approved on August 9th, 2021.
 - Property taxes revenue is estimated to be approximately \$1.5M. These funds are reinvested back into the community by improving existing services and programming.

WDFN Lands Department Projects:

- **Whitecap Comprehensive Community Plan (CCP)** – we are in the process of finalizing the CCP by developing background/context sections for each planning area. This work will be completed internally and then included into the plan for release to the community. The 'Implementation Plan' has also been updated in consultation with Program Directors and the Steering Committee.
- **WDFN Capital Planning** – the lands department continues to assist and support capital planning initiatives with Council and Executive by identifying and determining potential locations for capital projects and facilities at Whitecap. This includes planning for the 'Watson land' acquired and determining the land use for development.

- **Additions to Reserve application** – the lands department has applied for an Addition to Reserve to ISC to bring a quarter section of land to reserve status. The quarter section is located within the NW ¼-Sec 36, Twp 33, Rge 6, W3M (west of the newly acquired Watson lands) and is currently owned by the Whitecap Development Corporation in fee simple. The latest work completed for this process has been an Environmental Site Assessment and an appraisal of the land.
- **WDFN Trail Development** – WDFN was successful in accessing funding from Western Diversification to begin construction of a loop trail around the Dakota Dunes Golf Course. Additional funding to complete the project has also been applied for. This trails project will support the work set out in the WDFN Trails Land Use Plan for the Resort and Tourism area.
- **Other initiatives include:**
 - Chief Whitecap Trail Business Park – completion of infrastructure installation, marketing, leasing, and surveying of lots for potential tenants/investors.
 - WDFN website launched in October 2021 – website training, development of all land and taxation related content for website, and implementation.
 - Enforcement Pilot – partnership with the Province and Muskoday First Nation to address the enforcement gaps on reserve and how First Nations laws can be enforced. The lands department's role will be mostly law development and support.
 - Development of signage standards and a Whitecap signage corridor along Chief Whitecap Trail on the north and south end of the Reserve for businesses to install signs.
 - Continue to support the project management teams regarding the Community Drainage, Buffalo Berry Culvert and Residential Subdivision projects as a PMT member.

Feel free to reach out to WDFN Lands staff with any questions or concerns. Our offices are located at the Whitecap Business Centre but due to the current pandemic, we are closed to the public. Staff can be reached by phone at **(306) 477 – 0908** or by email at:

Re: **Maintenance Calls**

Please be advised that we are requesting all tenants take the following actions prior to making a maintenance call to the Housing & Public Works.

All housing units have received a Basic Home Maintenance Manual. Within the manual holds valuable housing maintenance tips. Such as replacing your furnace filter, plunging your toilet, sinks and tubs along with many other valuable maintenance guides.

1. When a maintenance repair arises please refer to your Basic Home Maintenance Manual and follow the procedure listed in the manual.
2. Should you fail to rectify the maintenance repair issue please call Housing & Public Works 306-477-2013 and we will try to assist you over the phone.
3. If maintenance repair attempts are unsuccessful, H&PW will then place a call to a Professional Service Technician.

If you have placed a maintenance call and a Service Technician has not arrived to your home within 24 hours please call H&PW and we will follow up. **DO Not** Contact the Contractor yourself unless you are willing to be **liable for the bill**.

Please do not disrupt Housing & Public Works while they are working in the community. They are extremely busy and are not authorized to change their schedule. Keep in mind it is not anyone other than the tenants' responsibility to report your housing issue.

Thank you for your immediate attention and cooperation in this matter.

Re: **Furnace Maintenance**

Please be reminded that it is the tenant's responsibility to maintain the furnace 9 out of 10 winter furnace service calls are due to a clogged filter.

All Housing Units were provided with a Basic Home Maintenance Tenant Handbook, page 23 – 26 contains helpful tips on Furnace Maintenance:

Once a Month

Change or clean filters, especially during the heating months.

As a reminder, when the seasons change, change the furnace filter but check often.

To determine how dirty the filters are, hold them up to a light source. If you can easily see light through them, then they are still deemed clean enough to use. Vacuum out return air grilles.

Unusual noises produced by the furnace should be cause for concern.

If airflow from your heat register decrease or seems cooler, chances are the furnace filter is clogged and must be replaced.

Benefits of Furnace Maintenance:

- Helps to increase equipment life
- Restores lost capacity
- Prevents breakdown
- Reduces utility costs
- Prevents unnecessary repair costs

Standard Furnace Filters are 16 x 25 x 1 and may be purchased at Home Depot, Canadian Tire and Walmart at affordable prices.

Stay warm this winter by regularly changing your furnace filter!

Memorandum

To: WDFN Community Dog Owners
From: Terry Parenteau, Director Housing & Public Works

Date: October 22, 2021
Re: *Dogs Running at Large*

Within the last few months, WDFN Housing & Public Works has received an increased number of complaints of dogs running at large and, in some cases, acting aggressive towards people especially children. Due to this, WDFN Housing & Public works is taking a serious stance on owner(s) allowing their dog(s) to run at large.

A dog is running at large when it is beyond the boundaries of the land occupied by the owner of the dog, or beyond the boundaries of any lands where it may be with the permission of the owner or occupant of the said land when it is not under control by being:

1. In direct and continuous charge of a person competent to control it;
2. Securely confined within an enclosure; and
3. Securely fastened so that it cannot roam at will.

Please be advised that WDFN H&PW will take necessary steps to remove any dog(s) running at large in the community.

Re: **Loraas Disposal Garbage Bins and Recyclable Bins**

Please keep in mind when discarding your garbage and recyclables.

1. Collection equipment requires clear, safe access to your container on collection day to ensure service.
2. Containers with inappropriate materials, overweight or over height could be bypassed by collection personnel.
3. Garbage bags should NOT be stacked on top of or beside the garbage bin. The garbage bin must be able to close. Cardboard boxes/material do NOT belong in the garbage bins but rather the blue recycle bins.

The Grey garbage bins are clearly marked **“DO NOT OVERFILL”**

The Blue Recyclable bins are clearly marked **“Recyclable Products”**

Below are illustrations of what to do AND what not to do on garbage day.

STRANGER DANGER STRATEGY

Information for Community Members of Whitecap Dakota First Nation (WDFN)

June 2019

Notice

There are recent safety concerns from WDFN members regarding unknown vehicles in the community. WDFN leadership and employees, RCMP, STC, and other agencies are well aware of these concerns and have taken necessary steps to address community safety and well-being

ACTION

As Whitecap is situated on a main highway close to a major city, parental supervision is strongly advised to ensure safety for all children and youth at play.

PARENT TIP

All parents and caregivers are also encouraged to take steps to ensure the safety of their children by teaching safety tips (refer to page 4), following curfew, knowing where your child is at all times, transporting children to activities, participating in community events, etc.

SOCIAL MEDIA TIP

If anything is posted on social media, use caution as the information may not be accurate.
Be sure anything you post is accurate.

Please report any suspicious activity to the RCMP. (310-RCMP (7267))

Strategies

1) Quick Response:

- a. **WDFN Notification System** –All members of the community are encouraged to sign up for the electronic program, if they haven't already done so. Go To: <https://member.everbridge.net/index/892807736728914> and follow the instructions to create an account. Please see attached sheet for more information.
- b. **Saskatchewan Crime Watch Advisory Network** – The RCMP launched a new program where anyone can receive texts/calls/emails, etc. about current Crime Watch Advisory's. Any crime watches from WDFN may be posted, if it is reported to the RCMP (911). *To sign up, go to: www.saskcrimewatch.ca

2) Enforcement:

- a. **RCMP**– Gather as much information as possible: Information such as license plates, vehicle type and description, number of occupants, last direction vehicle has travelling, etc., will all be helpful for police investigation.
This information should be reported immediately to the RCMP.
The numbers to call are:
310-RCMP (7267) to report unusual vehicles or activity, or
call **911** in the event of an emergency including if you have been followed or approached by strangers asking if you want a ride, etc.
- b. **Community Safety Officers Program**- This program is currently under development and will see members of WDFN trained as Community Safety Officers (CSO's).

*Some duties of the CSO include: patrolling and being a visible presence in the community, enforcing community bylaws, assisting in the area of prevention (eg. presentations) and collaborating with the RCMP and WDFN to ensure community safety and well-being.

3) Community Engagement and Awareness:

- a. **"Safety Day"** – Will be planned during the summer to promote safety including:
 - i. **Safety Presentation**
 - ii. **Bike Rodeo**
 - iii. **Child-Find Clinic** – *Will be contacted to come to WDFN*
 - iv. **Community BBQ and Activities**
 - v. **STC Mascot, Journey, will be on-site**
- b. **School Safety Presentations** – STC, RCMP, and WDFN Community Justice Worker will work together to plan presentations to school-aged children and youth in the schools.
- c. **Neighbourhood Watch** - Be good neighbours! Be aware of your surroundings, be on the lookout for any suspicious activity in the area, and report anything illegal or suspicious to the RCMP (310-RCMP (7267)).

Safety Tips: Ways to Keep Children Safe

Parents should be sure their children understand the following:

1. Never say they are alone if they answer the phone: they can offer to take a message or say their parents will phone back.
2. Never answer the door if they are alone.
3. Not invite anyone into the house without the permission of a parent or babysitter.
4. Not go into people's houses without letting anyone know where they are.
5. Never get into anyone's car without permission.
6. Not take candy or other gifts from strangers or anyone else without asking a parent first.
7. Never play in deserted buildings or isolated areas.
8. Scream and scatter books and belongings if they are forced toward a building or car.
9. Move away from a car that pulls up beside them if they do not know the driver.
10. Be taught their full telephone number and address.
11. Be taught that it's all right to say 'no' to an adult if the person wants them to do something you've taught them is wrong.
12. Know that no one has the right to touch any part of their bodies that a bathing suit would cover.
13. Tell you, school authorities or a police officer about anyone who exposes private parts.
14. Tell you if someone has asked them to keep a secret from you.
15. Go to the nearest cashier if lost or separated from you in a store or mall.
16. Know who to call in case of emergency.

Teens should:

1. Tell you where they are at all times or leave a written or recorded message at home.
2. Never hitchhike.
3. Avoid shortcuts through empty parks, fields, laneways or alleys.
4. Run home or go to the nearest public place and yell for help if they are being followed.
5. Learn to recognize suspicious behavior and remember a description of the person or vehicle to give you or the police. Write the plate number in the dirt or snow if nothing else is available.
6. If attacked for money, jewelry or clothing give it up rather than risk injury.
7. Feel that they can talk to you and can call you to pick them up any time, any place.

Parents should:

1. Avoid clothing and toys with your child's name on it. A child is less likely to fear someone that knows his/her name.
2. Check all potential babysitters and older friends of your child.
3. Never leave a child alone in a public place, stroller or car. Not even for a minute.
4. Always accompany young children to the bathroom in a public place and advise them never to play in or around the area.
5. Always accompany your child on door-to-door activities, i.e. Halloween, school fundraising campaigns, etc.
6. Point out safe houses or homes with the Block Parent sign where children can go if they are in trouble.
7. Keep an up-to-date colour photograph of your child, a medical and dental history, and have your child fingerprinted. <http://www.childfind.ca/safety/parents1.php>
