

# WHITECAP DAKOTA FIRST NATION

## EMPLOYMENT OPPORTUNITY - CARPENTER, JOURNEYMAN

*We are a modern and progressive First Nation near Saskatoon and if you are an enthusiastic and dedicated professional, we want to hear from you. We offer competitive compensation, and great benefits! Apply to join our team today and see what the Whitecap Dakota First Nation (WDFN) is all about!*

### **DUTIES AND RESPONSIBILITIES**

The Journeyman Carpenter works collaboratively within the Whitecap Dakota First Nation Housing & Public Works team. The following duties **ARE NOT** intended to serve as a comprehensive list of all duties performed by all employees in this classification, only a representative summary of the primary duties and responsibilities. Incumbent(s) may not be required to perform all duties listed and may be required to perform additional, position-specific duties. In accordance with standards of the WDFN and reporting to the Director of Housing & Public Works, the Employee will be responsible for:

- ✓ Reading and interpreting architectural blueprints, diagrams, and plans
- ✓ Determining the types of material required for each project
- ✓ Take measurements and calculate the size and amount of material needed to complete tasks and builds
- ✓ Transporting the materials and equipment to each work site.
- ✓ Constructing wooden structures such as concrete forms, frameworks, scaffolding, furniture, and similar elements.
- ✓ Installing wooden structures such as frames, stairways, rafters, furniture, and partitions.
- ✓ Constructing structures such as residential homes, garages, sheds, and other similar constructs as required by the Nation
- ✓ Cutting, shaping, and smoothing lumber and other material, such as fiberglass, according to measurements and specifications
- ✓ Lay out floorings, roofing or drywalls ensuring they are leveled and compatible
- ✓ Carve and assemble furniture, cabinets, shelves, and other items and install them where designated
- ✓ Inspecting the integrity of structures upon their installation ensuring all provincial, federal, and local building codes are met
- ✓ Complying with all applicable safety regulations.
- ✓ Perform regular maintenance, completing repairs as required on residential homes and structures
- ✓ Inventory and supplies, ensuring the proper par levels are always maintained
- ✓ Training subordinates and apprentices in appropriate construction site safety standards while ensuring all job sites meet both provincial and federal safety standards
- ✓ Working with apprentices of varying levels, helping to ensure successful completion of the provincial apprenticeship program
